(including all Assignments)

Day 5: Complete the End-of-Course Assessment

Frequently Asked Questions

Q: Can I complete my course faster than 5 days?

A: Yes. The course can be completed in as little as four days or you may take up to the full 5 calendar days.

Q: What happens if I don't complete the course by the 5th day?

A: Unfortunately, you will have to start the course over again from the beginning in order to regain access. This is why it's so important to follow the recommended schedule.

Q: What is an Online Instructor Led Course?

A: An Online Instructor Led course allows you to take the course from the convenience of your home or office while still allowing for an "in class" feel. You will correspond with MEC's instructors who will monitor your progress throughout the course, as well as answer questions that you may have along the way.
